Achievements Screen

- ❖ The **Achievements Screen** presents the Player with a list of **10 Achievements** for the game and their status (**Acquired/locked**) as well as their **Gamer Points**, **How to Text** and **Completed Text**.
- ❖ This list **dynamically updates** to show the players current **Gamer Points** attained for the game against the **maximum** number available.
- ❖ The Achievements Window for **Windows Phone 7 Game Room** will include **10 Achievements** worth **20 Gamer Points** each.
- ❖ **Gamer points** will accumulate towards your **Global Xbox Live Profile**.
- ❖ **Achievements** and **Gamer Score** awarded to a gamer on **Windows Phone** can be seen anywhere that the player's profile can be viewed.
- ❖ **Completed Text** displays what the player did to complete the achievement.
- ❖ **How to Text** displays how the player can acquire the achievement, through what means.

Note:

- ❖ These **Achievements** will be separate to **Game Room** for **xbox360 Achievements** and only for **Windows Phone 7** apps.
